

## INTERNATIONAL INSTITUTE OF TROPICAL AGRICULTURE (IITA)

### **JOB OPENING ANNOUNCEMENT**

The International Institute of Tropical Agriculture (IITA) invites applications for the following positions.

IITA is an international non-profit research-for-development (R4D) organization created in 1967, governed by a Board of Trustees, and supported primarily by the Consultative Group of International Agricultural Research (CGIAR). Our R4D is anchored on the development needs of sub-Saharan Africa. We develop agricultural solutions with our partners to tackle hunger and poverty by reducing producer and consumer risks, enhancing crop quality and productivity, and generating wealth from agriculture. We have more than 100 internationally recruited scientists from about 35 countries and 900 nationally recruited staff based in various stations across Africa. Please visit <http://www.iita.org/> for more information on IITA.

The International Institute of Tropical Agriculture seeks suitable candidates Driver under N2AFRICA Project, Borno State, Nigeria. **N2AFRICA** (Putting nitrogen fixation to work for small holder farmers in Africa) is a project that seeks to build sustainable, long-term partnerships to enable African smallholder farmers to benefit from symbiotic N<sub>2</sub>-fixation by grain legumes through effective production technologies including inoculants and fertilizers.
